Android Studio

Jetpack Compose

Bootstrap

Utilities and DBs

Firebase

MySQL

MongoDB

Retrofit & API

Git/GitHub

XAMPP Server

ACHIEVEMENTS

- Best Rank of 589/21000+ in LeetCode Contest 437
- Global rank 155 in Codechef Starter 100 2023
- Global rank 504 in Codechef Starter 92 2023
- Best Rank of 1172 in Codeforces Round 928 2024

WORK EXPERIENCE

Mcube Media Forum

SDE Intern

📅 May 2024 – July 2024

📍 Remote

- Working as a frontend and backend app developer.
- Tech Stack - **Kotlin, Firebase, Google SDK, Facebook SDK, Retrofit & APIs, Google Cloud Console**

PROJECTS

ERP IIITA 🔗

- We developed an all-in-one academic management app for students.
- It provides students with access to semester fee details, results, CGPA, scorecards, online complaint raising, medical records, and document requests/downloads.
- The app has 150+ daily users, 800+ monthly users, and over 1,600+ downloads.
- Languages and Technology: **Flutter, MySQL, XAMPP Server, PHP, FireBase**

GradePlus 🔗

- Developed an Android application for a group project to enhance student learning experience.
- It offers easy access to course materials, lecture notes, and semester-wise past year question papers (PYQs).
- Languages and Technology: **Flutter, Firebase, Dart**

Multi-Lingual Hateful Meme Detection 🔗

- Developed a multimodal deep learning system with 87% accuracy for detecting hateful content in multilingual memes using ensemble learning.
- Integrated NLP models (BERT, XLM-R, MuRIL) and computer vision architectures (ResNet50, DenseNet121, ViT).
- Built a preprocessing pipeline integrating OCR, DeepFace for facial analysis, and BLIP-based VBQs.
- Languages and Technology: **Python, PyTorch, TensorFlow, Hugging Face Transformers, OpenCV, Streamlit**

RESPONSIBILITIES

- Developing ERP System Application for IIIT Allahabad
- **Overall Lead** of Club of Professionals (CoP) at IIIT-A
- **Head** of App development Wing, Google Developer Students Club (GDSC, IIIT Allahabad)
- **Executive**, AppDev Aparoksha (Technical Fest of IIIT Allahabad)
- **Lead** of ML Department, Tesla (IIIT Allahabad)
- **Mentor** in OpenCode, MadWeb, and Girls Hackathon organized by GeekHaven (Technical Society)
